
Instruction for Authors

Journal of Education, Maharakham University (JEd, MSU), is an academic journal in the field of education. The journal publishes a variety of academic results, including research articles, thesis articles, book review articles, and review articles. The articles to be published may be reviews of current issues, or scholarly issues that contribute a new body of knowledge, that demonstrate interesting and valuable points of view for readers. It is important to note that articles submitted for Journal of Education should not have been preprinted or previously submitted to other publications. The context of the articles may be revised as appropriate by the journal editorial board and peer reviews in order to make it fit the international standard and be accepted as reference.

Submission of manuscripts:

1. Language: Manuscripts can be written in either Thai or English. Thai language manuscripts should adhere to the Royal Institute's principles in using vocabulary and borrowed English words. All English words must be typed in small letters, except specific names. English language manuscripts must be checked for the correctness of language by an English expert prior to submission.

2. Papers: Manuscripts should be typed in A4 paper, and required to have 3.5 cm margins on each of the four sides: top, bottom, right and left. The contents of the Abstract in both Thai and English, other headings, and references should be arranged in one column.

3. Style and size of font: Both Thai and English manuscripts are required to type in "Browallia New" font style with font size as follows ;
